**Description:** This instructional tennis clinic is for youth players ages 6-14. *It's fun and great exercise!* Beginners will start with smaller racquets and lower compression balls for rapid learning. More experienced players will be challenged with drills and games based on level. Players will receive a combination of technique instruction and game play to exercise skills. *The lead instructors are certified teaching pros assisted by local high school players and volunteers from Public Tennis Inc.* Bring your racquet if you have one. Racquets will be available for those who do not have them. Wear tennis shoes.
