- Tournament Eligibility. All players must play a minimum of (5) matches for their team to be eligible to play in the playoffs.
- **Ineligible Players. Any team that uses a player deemed ineligible in accordance with any of the rules and regulations contained herein shall forfeit all matches in which the ineligible player participated. Further disciplinary actions may result.**

3. Unsportsmanlike Conduct.

- General. Unsportsmanlike conduct in the gym will not be tolerated. This applies to teams, individual players, coaches and spectators. Violators are subject to appropriate action by the league committee and / or Parks and Recreation, including suspension or expulsion from the team or gym.

- Suspensions and Fines. Any coach or player ejected from a game by an official will be suspended for one game and pay a \$25.00 fine to Friends of Youth Athletics in Beaufort County before being reinstated. Each ejection thereafter will increase the fine, for that individual, by \$25. (example – 1st ejection = \$25, 2nd = \$50, 3rd = \$75 and so on...) This includes tournament matches. This money will be used to finance youth sports scholarships. Number of ejections will also be the first tie breaker for playoffs/seeding – the team with the least amount of ejections (hopefully NONE!) will win any tie breaker scenarios.
- “Flagrant” Misconduct. If, in the sole discretion of the official, such an ejection is due to flagrant misconduct or unsportsmanlike conduct, then the following penalty will be imposed: a fine of \$25.00 payable to Friends of Youth Athletics in Beaufort County will be levied and a five match suspension will be imposed. Additionally, the offending individual may be subject to banishment from the league. The League Commissioner will rule on this decision, and all decisions are final. “Flagrant” misconduct or unsportsmanlike behavior shall include but not be limited to the following:
 - Intentionally trying to cause injury to another player.
 - Pushing or striking a league official.
 - Excessive verbal abuse of an official or league representative.
 - Fighting or striking an opposing player or coach.
- Ejections and Multi-League Play. If a player is ejected from any game and plays on both leagues, that player must sit out the suspension time and then pay the \$25.00 re-instatement fine payable to Friends of Youth Athletics in Beaufort County before that player can play in ANY League game.
- Notification Responsibilities. In the event of an ejection, the referee shall notify the Parks and Recreation representative / office of the number, name, and team of the ejected individual(s). In the event the ejection was for “flagrant” misconduct, the referee shall notify the league committee within 24 hours by a written report of the incident.

4. Player Minimum.

- A coed team must consist of six (6) players **of which at least two(2) are female**.
- A team must have a minimum of five (5) players to start a game with 1 player being female. **If a team does not have 6 players they may borrow a player from the opposing team only.** (This is not mandatory, but is simply an option to help teams avoid forfeits and the opposing coach will choose the player that is borrowed).

There is no grace period for this second game.
- Tie-Breaker Rule. If two teams are tied at the end of the regular season, the team with fewer ejections will be the winner. If the two teams have the same amount of ejections, the team with the better head-to-head record will be declared the winner. If the two teams split their head-to-head regular season match-ups, the point differential between the two teams will determine the winner. If the point differential is a tie, then the two teams will have a one (1) game playoff to determine the winner.
